
British Columbia Fire Code 2018

Revision 1.01

Effective December 12, 2019 the *British Columbia Fire Code* was amended by [Ministerial Order FSA 2018 2](#).

This document lists each Section that was affected by those amendments and links to that Section in its entirety.

Update your binder by printing and *adding* the revision pages to the corresponding Sections in your binder.

NOTE: There are differences in the page structure. Consequently, if a user opts to *remove* any existing Sections that have been updated, it is important to ensure that no other valid information is inadvertently lost with the removal of those Sections. The removal of any original Section is at the discretion of the user.
